

SELWYN COLLEGE

## *Exie Scholarship*

Over generations, Selwyn has prided itself in attracting students from a wide variety of backgrounds, ethnic and cultural traditions. No education is richer than one challenged by fellow students with ideas different to one's own. To continue this experience, Selwyn seeks to support students from a diverse range of geographic locations and financial situations.

The 2011 Exie scholarship (\$3000) is intended to assist a student in deciding to attend the College who might through financial hardship otherwise be forced to flat, thereby missing the opportunity to live in a College.

Applications can be made by completing this form and returning it to the College office at:
